

## Join BAYADA's RI Advocacy Day on April 4th

Raise your voice with other home health care providers

Together, attendees will seek legislative support for much-needed reimbursement rate increases to address the workforce challenges and wage disparity in the home care industry.

In teams, you will be given the opportunity to speak with your legislators and key decision-makers to advocate for our most vulnerable Rhode Islanders who rely on home care services to remain safely in their home.

**PERSONAL SUPPORT BUILT ON PERSONAL EXPERIENCE**

Founded in 1991, RIPIN is a 501(c)(3) nonprofit organization that helps thousands of Rhode Islanders each year with health care, special education, and healthy aging. RIPIN uses a model of peer professional support—more than three-fourths of RIPIN's staff are caregivers of a loved one with special health care or special education needs. For more information about RIPIN and its mission, please visit the organization's website at [www.ripin.org](http://www.ripin.org).
